Sounds good, thanks for the heads up Wren. Yes please send me the material once completed and I'll add it into his memo.

Jonathan, I believe Ed passed out the maps. I didn't get one, but added Ed here to provide it to you.

If your briefing memo is to include everything he needs for the Atkins' meeting, we are preparing a project schedule/timeline, a plan with potential dates for the future meeting(s) on the CAG, and a list of the recommended CAG members. We know his meeting is Sept 3.

Good morning Wren!

Hope you're doing well!

Darrin informs me that there was a briefing for the RA yesterday regarding Councilmember Atkins' meeting request about Lane Plating. Can you send me the map you provided during the meeting? We'll be drafting an RA briefing memo for the Atkins meeting so I'd like to include the map. I've got a fact sheet (attached) from Ed Mekeel on Lane Plating but if there's anything else you think should be included, please send over.

Thanks!

Also, congrats to you and Lisa on the move to SF!
